—A wonderful climate is this. Saturday the mercury registered 81 degrees but by Monday afternoon it was down to 35 and considerable snow fell.

—The martins have returned in large numbers. They had to battle with the English sparrows for possession of the bird houses in the park and, as usual, the Britishers were routed.

—The macadam road leading from the village to the beech tree corner on Lynn street is being repaired, but it is in such bad condition that an entire new top will be necessary to make it satisfactory.

—A meeting of the board of county fair managers was held at the fair grounds Monday afternoon when the erection of several buildings was considered and plans made for making extensive improvements.

—Miss Ella Rice and her class of girls of the M. E. Sunday school were entertained at the home of Misses Frances and Alma Metzler last Saturday, the occasion being the 12th birthday anniversary of Miss Alma.

—April 26th is the anniversary of the establishment of Odd Fellowship in America. The occasion will be appropriately observed by Canfield Lodge, No. 155, in town hall Saturday evening. A large turnout of members of the order and their families is expected. There will be addresses, music and refreshments.

—Rev. Thomas L. Kiernan, who recently accepted a call from the Presbyterian church, occupied the pulpit last Sunday morning and evening. He will preach his farewell sermon in the Orville church next Sunday and a few days later will remove to the village with his family consisting of his wife and four daughters.

—Vaughn Brothers on Tuesday moved their furniture store from the Harroff building to the Campbell block at the corner of Broad and Main streets, occupying the first floor jointly with H. J. Dickinson, who is closing out his stock of general merchandise. The larger quarters give a much better opportunity to display furniture and other stock.

—During the storm last Saturday evening lightning struck a tree near the drug store of F. A. Morris. A team of horses owned by Clark Baro of New Buffalo was standing only a few feet away and one of the animals was knocked down. When it got up there was a near runaway. During the same storm lightning struck a large tree close to the Morris home on North Broad street but no serious damage was done.

—Marshal C. S. Dodd on Tuesday handed around to dealers and users of any considerable quantity of gasoline copies of the village ordinance providing for the handling and storing of gasoline and other inflammable liquids. Recently complaints were lodged with council that the ordinance was being violated and it was deemed advisable to send out copies of the ordinance so that offenders may have no excuse if prosecutions result in the future.

The township will sell May 25 five per cent bonds to the amount of \$4,550 for road construction.

—Evangelist Traverce Harrison, who opened meetings two weeks ago in the Christian church, is meeting with great success. The crowds became so large that for a week it has been necessary to hold the meetings in college chapel. The first of this week fourteen persons who had confessed their faith in the Redeemer were immersed and received into church fellowship. Tuesday evening Mr. Harrison delivered a special sermon before secret organizations and college chapel was crowded to the doors.

—Last Friday afternoon a young man living northeast of the village went into F. E. Wetmore's shoe store and requested the proprietor to cash a check for \$5 which he said had been given him by his father, Mr. Wetmore. Mr. Wetmore accommodated him. Then the young man flashed a second check, it calling for \$90, which was signed "G. M. Bowton." This convinced Mr. Wetmore that both checks were forgeries and he demanded the return of the money paid for the first check. The young man realized that he was caught and the coin was handed back. He was not arrested but may yet be prosecuted.
